Buckey undergoes back surgery

MIAMI, Nov. 17 (UPI) _ Miami Dolphins reserve offensive tackle Jeff Buckey underwent successful surgery Monday to correct a disc problem in his lower back.

The surgery was performed by Dr. Robert Watkins at USC University Hospital in Los Angeles and Buckey will return for re-evaluation in two to three months.

The 24-year-old Buckey was used sparingly in the Dolphins' first seven games before missing the last three weeks with ...
